# SCIENCE

Document available to all students  
for full access and to help  
develop problem-solving skills  
and to help students develop themselves

Work on all the skills  
with a focus on  
developing problem-solving  
skills and to help  
students develop themselves  
and to help students develop  
themselves

We run a series of 'Careers in the  
Curriculum' weeks in our school. For  
Science, this week takes place in  
January.

Students take part in a number  
of activities to encourage them to  
think about how what they learn in  
the classroom can be applied in a  
number of future careers.
